

High Performance And Organic Skin Care

Nava Hadad blends organic ingredients into all of her facial, waxing, and skin care treatments. Custom elixirs of essential oils in their purest forms, a library of botanicals, and the finest ingredients are all state-of-the-art and delivered by Nava herself. Nava Spa on La Cienega Blvd. is a warming oasis and private space unlike any other in LA.

Five minutes away from both Beverly Hills and West Hollywood, Nava is a private sanctuary to beauty buffs in a hectic city. Nava herself is unpretentious, and her natural radiance and passion for organic nutrients have earned her a quiet reputation as skin guru to Green A-listers and all those who want only the very best high-tech and natural rejuvenation therapies for their skin.

With over 16 years of experience as an aesthetician Nava brings passion to a tradition that has become an increasingly corporate affair, and her private spa is the stuff Zen dreams are made of. Her wisdom on matters concerning the skin and use of up-to-the-minute research and technology give customers of all ages a *customized* skin care regimen to address not only their current needs, but also how to achieve a sparkling complexion via a naturally healing routine, the way Mother Nature intended.

Specializing in sensitive skin, acne, travel/flux issues, anti-aging treatments, vitamins, peptides, enzymes, herbs, calming potions, brow shaping and healing elixirs for any skin type - Nava has the organic answer for whatever ails you.

*"To live happily is an inward power of the soul."

THE SUPERNOVA

A series of treatments cascade into two or three hour sessions custom designed to clear and relieve skin, help diffuse lines, and visibly brighten the complexion. Perfect for those who travel or want glow for a special event, this retreat addresses skin conditions as it nourishes, exfoliates, and restores balance. A blend of the finest ingredients, hydrating herbs, pure essential oils, fruit acids, organic enzymes, vitamins, calming potions, and high-tech anti-aging blends including a contour protein mask revitalize and restore a healthy shimmer to the skin.

THE ULTRA GENTLE

A gentle exfoliation treatment for even the most sensitive skin, this resurfacing treatment involves a combination of special patented fruit acids and plant enzymes to lift off dry skin cells without irritation. A cooling gelled mask and high potency blend of soothing panthenol, hydrating herbs and calming licorice compound visibly settles irritated skin while delivering moisture repair and rejuvenation.
